

## HAZRED UMAR FATHAN

Partner

[hazredfathan@gmail.com](mailto:hazredfathan@gmail.com)

### PROFILE

A seasoned Mining and Geology Consultant with extensive experience in resource management and exploration projects. Has held roles across various sectors including exploration geologist, resource geologist, and project manager for greenfield projects in coal, nickel, and other mineral deposits. He is skilled in resource estimation, geological modelling, and project management. His expertise spans linear and non-linear estimation techniques, conditional simulations, QAQC protocols, and database management using SQL. Has been instrumental in developing SOPs, KPIs, and long-term strategies while ensuring operational success.

### EXPERTISE

- Advanced Geo-spatial analysis (satellite image processing, cartography, 2D/3D modelling).
- Planning and managing exploration programs for coal, nickel, and various other commodities.
- Geological modelling, resource estimation (linear/non-linear), drill hole spacing analysis.
- Familiar with mining software and reporting guidelines such as JORC 2012, KCMI, and SNI standards.
- Proficient in project management, business model creation, and financial projections.
- Extensive experience in negotiation, client relations, and ensuring project success.
- Strong background in data management, database creation, and SQL.
- Leadership in professional organizations (AusIMM, PERHAPI, IAGI, MGEI, FGMI).

### EDUCATION

Master Business Administration	Major Energy Management Executive, Institut Teknologi Bandung (ITB)	2022
Bachelor's Degree	Geological Engineering, University of Sriwijaya, South Sumatra	2013

### CERTIFICATE & LICENCE

- Competent Person (CP) – Mineral Resource Estimation (Nickel Laterite) – BNSP No. B0512 2114 7 0000024, 2023.
- Competent Person (CP) – Coal Resource Estimation – BNSP No. B0702 2114 7 0000003, 2023.
- Certified Assessor by National Professional Certification Board (BNSP) No. Reg. MET.000.003508, 2021.
- Certified Geographic Information System (GIS) by BNSP No. Reg. BIG 689 000555, 2019.
- Certified Lower Operational Supervisor – BNSP, 2021-2026.
- Certified Drafting Team Member of Environmental Impact Analysis (AMDAL) – BNSP, 2021.
- Competent Person – Indonesia Resource Estimation (Nickel Laterite) – IAGI-MGEI, 2023.
- Competent Person – Resource Estimation for Detailed Exploration – BNSP, 2023.

### CAREER SUMMARY

May 2021 – Present	Partner, PT Minevesting Resources Indonesia (Minevesting Group)
May 2021 – Present	Principal Consultant (Geology), PT Minevesting Konsultan Indonesia
Aug 2020 – Present	Project Consultant Geology & Mining, PT Yekada Multi Energi
Mar 2021 – Apr 2023	Contract Services Consultant (Geology), Mining One PTY LTD
Jan 2019 – Aug 2020	Consultant (Geology), PT Sampulu Adijaya Prakarsa
Feb 2018 – Dec 2018	Jr. Geologist, PT Buena Persada Mining Services
Aug 2017 – Present	Associate Consultant Geology, PT. Geo Sriwijaya Nusantara
