

UMAR RIVALDY PULUKADANG

Partner

umarrp@minevesting.co

PROFILE

Mining consultant with extensive experience in mining project management, reserve estimation, geotechnical studies, and feasibility analysis. Skilled in the use of industry-standard mining software, including Surpac, Minesched, and Whittle, with a strong background in the optimization of open-pit and underground mining operations. Proficient in creating resource and reserve reports following global reporting codes such as JORC, KCMI, and SNI.

EXPERTISE

- Advanced pit optimization, including geotechnical parameters, mining cost, processing cost, and NPV vs Pitshell analysis.
- Mine scheduling from long-term to short-term production, including sequence design and mining flow strategies.
- Expertise in mineralization systems, particularly low epithermal sulphidation, coal exploration, and other minerals (nickel, iron ore, zircon).
- Mineral reserve estimation using mining software and reporting guidelines (JORC, KCMI, SNI).
- Strong negotiation skills for project contracts and partnership agreements.
- Active participation in professional organizations and social activities.

EDUCATION

Master of Management	Management Risk of Investment , University of Indonesia (UI)	2022
Bachelor's Degree	Mining Engineering , University of Sriwijaya, South Sumatera	2013

CERTIFICATE & LICENSE

- Certified Social and Behavioural Research CITI PROGRAM (ID Credential 52378637)
- Member of the Australasian Code for Reporting of Estimation Reserve (Member No. 3002722)
- Competent Person of SNI for Mineral Reserve Report
- Lower Operational Supervisor Certification (2021-2026) by BNSP

CAREER SUMMARY

Dec 2021 – Present	Partner – PT Minevesting Resources Indonesia
Dec 2021 – Present	Mining Principal – PT Minevesting Konsultan Indonesia
Aug 2020 – Present	Associate Spv Mining Specialist – PT Yekada Multi Energi
Oct 2019 – Aug 2020	Mining Manager – PT Sampulu Adijaya Prakarsa
Dec 2018 – Oct 2019	Mining Specialist – PT Sampulu Adijaya Prakarsa
Jan 2018 – Dec 2018	Jr Mining Specialist – PT Lereng Nusantara Consultant
